whole room

A close-up of the SpatialChat control bar. It features several icons: a plus sign in a circle, a screen with an arrow, a speech bubble, a microphone with a slash, and a speaker. Red arrows point from the text labels to these icons. The plus sign icon is circled in red, and the microphone icon is also circled in red.

In this example, Michelle searched for John and his name appeared in the Meet IEEE Leadership room. To join the Meet IEEE Leadership room, Michelle will click on the room name, and then seek out John.
